

SOUTH BAY HISTORICAL RAILROAD SOCIETY
1005 RAILROAD AVE. SANTA CLARA, CA. 95050
(408) 243-3969
<http://www.sbhrs.org>

The South Bay Historical Railroad Society (SBHRS) is a non-profit IRS 501(c)(3) public benefit corporation dedicated to the restoration of the Santa Clara Railroad Depot complex and nurturing interests in railroad history through historic building renovation and scale model railroading. We occupy the Santa Clara Depot's former office, freight, and passenger baggage areas along with the Santa Clara Tower. There are many facets and activities within the organization which include, but are not limited to; the Edward Peterman Museum of Railroad History, an information library on railroading, HO and N scale model railroad displays and activities, community service activities, social get-togethers with people of a common interest, fund raising activities, and much more.

Our scale model railroad displays occupy a room 29' X 86'. The HO scale layout is approximately 15' X 80' with four scale miles of double track main line integrated with two scale miles of point-to-point single track line. The N scale layout is approximately 11' X 52' with three main lines containing over 12 scale miles of track. Both layouts are under construction and operate using either standard DC power controls or Digitrax Digital Command Control (DCC). The scenery depicts non-specific western railroad prototypes.

We are open to new members wishing to enjoy themselves and participate in our many activities from renovation of the historic buildings to working on and operating the scale model railroad displays. Experience is not necessary. We have members with all levels and areas of expertise and learn new skills from each other while doing the work.

We are normally open Tuesday evenings between 6:00 pm and 9:00 pm and on Saturdays between 10:00 am and 3:00 pm. Our typical monthly activities are as follows:

- General and Sustaining membership meetings or activities; second Tuesday of odd numbered months starting at 7:00 pm. Usually includes railroad related presentations, workshops, or other activities.
- Corporate membership meetings; second Tuesday of even numbered months starting at 7:00 pm for corporate members and invited guests.
- Other Tuesday evenings — Work on scale model railroad displays and interactive discussions.
- Saturdays — Work on Depot and Tower renovation projects and the scale model railroad displays.

For those wishing to join and participate in our organization's activities, the tax-deductible initial membership and monthly donations are as follows:

<u>Membership Donations:</u>	<u>Initial</u>	<u>Monthly</u>	<u>Min. 1st Donation</u>
